Local Musicians Release New CD "Songs From The Market"

By Joanne Rodgers,
Bruce Peninsula Press

A trio of popular musicians on the Bruce has released a new CD entitled "Songs From the Market".

Market goers are very familiar with the Market Band and the various musicians who freely offer their time and music every Saturday morning during the summer to play at the Lion's Head Farmers Market.

Brian Taylor and Arnie Crittenden along with Dominik Franken have released a CD with 14 songs including such well-known songs as "Back Home Again", "Did She Mention My Name", "Goodnight Irene", "Till We Meet Again" and many others.

The CD is available for \$25 with proceeds going to charitable causes on the Northern Bruce Peninsula. The CD can be obtained at the Market Band Music

tent, located near the Lion's Head Beach Pavilion on Saturday mornings.

Patrons are also invited to stay awhile and enjoy live renditions of the songs by the musicians.

Lion's Head Homecoming Weekend July 29-Aug 1

**Music, Food, Dancing,
Sandcastles and More**

By Joanne Rodgers,
Bruce Peninsula Press

Northern Bruce Peninsula celebrates Homecoming Weekend on the Civic Holiday weekend starting July 29 with fabulous music, good food, and events for all ages.

Friday night Harbourside Music

Start off your weekend by heading down to the beach grounds in front of the Lion's Head Beach Motel for the regular Friday night Harbourside Music. Bring a chair and/or blanket and spend the evening listening to great music. Playing at Harbourside on the 29 July, at 7 p.m. are the McLaren Pipeband, Ayoyo (Brazilian music), and ND3 (Dan Corcoran, Doug Isman, Nick Ferrence and Dominik Franken).

Saturday Morning Farmers' Market

The Lion's Head Farmers' Market is a good place to look for breakfast or brunch and for locally sourced food and hand crafted delectables.

Held all summer long at the Lion's Head Beach Pavilion, the Civic Holiday weekend Market will showcase over 40

Friends of The Lion’s Head Library Used Book Sale August 6th and 7th

Submitted by Friends of the Lion’s Head Library

Friends of the Lion’s Head Library volunteers, Donna Hambleton and Clover Young, (photo left) have been placing signs around Lion’s Head in preparation for the upcoming Used Book Sale on Saturday, August 6 and Sunday, August 7 from 10:00 a.m. - 2:00 p.m. at the arena in Lion’s Head. Many thanks to local artist Stuart Burgess for updating the signs.

Friends has collected thousands of books, both fiction and non-fiction. New this year, buyers will find the fiction books in alphabetical order by letter, making it easier to locate your favourite novels. Non-fiction will be organized by categories - gardening, cooking, nature, children, science, travel and more. We also have a large selection of antique books, some of which are first editions!

Payment for books will be by donation. Please give generously and help support Friends of the Lion’s Head Library in its efforts to provide funds to purchase furniture and fixtures for our new library.

The Beach Is Back!

And So Is The Annual Lions Horseshoe Tournament Sunday, July 31

Submitted by Ferndale,
Lion's Head and District Lions Club

After years of dealing courageously with high lake levels and the worldwide pandemic, the Lions are once again invigorated to host the ever popular Annual Lions Horseshoe Tournament on Sunday, July 31st.

As they move steadfastly into their forty-ninth year of service to the local community the men and women of the Lions Club always look forward to this rather special and very festive fun in the sun. The members know that it is almost as much fun to host this party as it is to be a participant or spectator.

All levels of game skills are rewarded to the winners in various categories of competition with shiny trophies and very nice shirts.

The grills at the food booth go all day turning out delicious burgers and dogs with all the fixins', and of course, ice cold beers, coolers and soft drinks are offered to quench the thirst.

By now you should have your team together but if you don't it is never too late and registration is open until 11:00 AM. All are welcome! Don't miss the excitement.

Photo L-R: Lion's Head beach in 2019 vs 2022.

In other news the Lions Club was very happy to set up their tent on July 9th at the Lion's Head and District Community Centre and prepare tasty peameal bacon and sausage on a bun for the hungry bargain hunters supporting the fine work of the Lion's Head Hospital Auxiliary at the Annual Garage Sale. Thanks to all the shoppers and volunteers who visited and to municipal staff for tables. The

Lions hope to be invited back next year to help out.

Regular dinner meetings will begin again in September on every second and fourth Wednesday at 7:00 PM at the Swan Lake Legion. Lion Wes Bailey has been newly installed as Lion President with thanks to Past President Michael Finnigan. To contact the club call Wes at 519-373-6874 or Lion Secretary Tom Boyle at 519-793-3654

PUBLISHER’S COLUMN

Let’s Help Staff and Council Decide the Future of Lion’s Head Beach

By John Francis

MNBP hired a consultant to prepare a Draft Parks and Recreation Master Plan, including conceptual plans for the Lion’s Head Arena and Community Centre and for the Lion’s Head waterfront.

Stakeholders were consulted; surveys were circulated. The process was mentioned in the municipal Public Notice ad in this newspaper and on social media.

97 people filled out surveys, including 68 residents.

The consultant presented the first draft of their report to a Special Council Meeting on April 25. Council discussed it at length, although the main concern was getting the arena renovation up and running.

Over the next few months some people actually looked at the draft report and saw the proposals for the Lion’s Head waterfront (see ad, opposite page). Many of those people felt they should have been given a chance to comment. (The fact that they were given a chance to comment is not material to this discussion. I’ll get back to that later.)

The municipality opened up the online survey process again and made a splash on social media. They got 144 responses.

With 4,000 permanent residents

and several thousand more seasonal residents/property owners, that’s a sample size in the range of 2%. Which means that 98% of those with a right to speak have not done so.

Eight or ten years ago, MNBP did a study about expanding the public sewer and water systems in Tobermory. Laura Swanson of Darryl Robins Consulting did a superb report with conceptual plans for three possible scenarios. MNBP held a public meeting in Tobermory to show off the plans and get public reaction. The meeting was well-publicized and they held it on a weekday evening in summer so that people who worked weekends would be able to attend. At least three councillors came out. CAO Bill Jones was there, the Public Works Supervisor and Assistant Supervisor were there and several other staff members plus the engineer, Laura Swanson.

I think two members of the public showed up. I was one of them and I think Smokey Golden (now Councillor Golden) was the other. I was stunned. Why did nobody come out?

I’m still not sure why. But there was an important object lesson there (somewhere) concerning public consultation.

I think the lesson was that you can’t force people to make unpleasant decisions. Town water is expensive — just

ask Lion’s Head. Without the heavy federal and provincial subsidies that supported the Lion’s Head initiative — and those days appear to be gone — the taxpayer contribution to municipal infrastructure would have been breathtaking. So why not just stay home and not think about it?

The result, of course, is that ten years later, we have no hope of getting new public housing or even new multi-unit housing in Tobermory. Why? No sewers and no public water.

The process of drafting a new Recreation Plan is long and boring and involves a lot of reading. The Agenda for the Special Meeting on April 25 was 233 pages. All the Councillors read them. I read them. I suspect very few other people did.

The scope of the document was huge. It required a lot of heavy thinking to research and write it. It required a lot of heavy thinking to read it and critique its conclusions. Easier to not get involved. Hey — there’s a new season of *Stranger Things*!!

It’s much easier to just let things slide and then react after the politicians make a decision.

Which is how we got to this point, with an important decision under consideration and staff and Council twisting in the wind

— trying to find a way forward based on a 2% sample of public opinion.

The public property at Lion’s Head beach is an exceptional public asset. It did not happen by accident. It was destined for development when the Eastnor Horticultural Society stepped in and bought it, then gifted it to the Village of Lion’s Head to use as a public park. That was about 90 years ago.

Imagine the work the Horticulture Society executive will have put in, to imagine the future importance of Lion’s Head beach and find a way to secure it forever for the public.

Out of respect for their vision and effort, couldn’t we find a few minutes to fill out a survey? (Or a couple of hours to read the report so we could do an intelligent job of filling out the survey...)

There is one important thing to bear in mind concerning these conceptual plans — they are concepts, not intentions. Accepting the report does not magically create a budget to implement the plans. That would be a separate process and the changes would not be cheap.

But let’s fill out the survey and let staff and Council know what we, the voters, want. That way they’ll have some confidence at budget time.

Letter: Concerns About Community Development

Dear Editor and community minded property owners,

The Bruce Peninsula Press has provided a great community service by printing the Municipality of Northern Bruce Peninsula Council’s minutes so everyone is informed about events happening in the municipality. Thank you.

I am taking this opportunity to share my concerns about our community development.

Numerous times, it has been identified that housing for seasonal workers, working families and seniors is in great need. Each group has its own needs. After reading the advertisements and articles proposing new development on Warner Bay Road and Chi sin tib dek Road it appears to be mostly large homes at large prices.

The proposed Housekeeping By-law that Council may approve soon falls short of addressing the needs of the above groups. Garden suites with only a washroom and no cooking facilities will not service the needs of our seniors or seasonal workers. Also the garden suites can not be rented. Large estate homes will be too expensive for local working families.

With new development, the environment is a great concern. Increased units in existing homes may be the least

damaging proposal if water quality and sewage capacity is strictly monitored.

I asked the question at a recent council meeting, “Does the municipality have staff to monitor more building permits?” I did not get a positive answer. Increased garbage capacity is yet another concern since our landfill sites are near capacity. It is expensive to truck garbage elsewhere if possible. Recycled items already get trucked to Mount Forest.

During yet another busy tourist season, Lion’s Head and Tobermory are busy hubs of activity. Is this activity sustainable or is it time to rethink how our beautiful peninsula can be shared, but maintained in an environmentally responsible manner. Tourists are aggravated by driving 4 hours and not finding parking, attractions and accommodations available. Is the Peninsula to capacity with the million plus visitors, should capacity limits be considered to save our air, water and roads from unsatisfied tourists?

Please think about how you would like the Municipality of Northern Bruce Peninsula to look in 10 and 20 years from now. Municipal election is October 24; please vote by telephone or internet. Please run for Council for which the deadline to file is August 19th, 2022.

Public Reminded that Emergency Departments are for Urgent Health Issues

Media Release

July 20, 2022

– GBHS is seeing an increase in wait times at Emergency Departments (EDs) across its six hospitals, and many patients are arriving with minor health concerns that do not require urgent care. To reduce wait times at Emergency Departments, and ensure that critical patients get the care they need, the public is being encouraged to seek alternatives to the ED for minor health issues.

“Our EDs are busier than usual, and like hospitals across Ontario, many of our departments are short staffed,” said Dr. Sunil Mehta, Chief of Owen Sound Hospital Emergency Department. “If you are having a medical emergency, call 9-1-1 immediately. If you have a minor issue that can be treated by your family doctor, please try that option first.”

Patients who do arrive at a GBHS Emergency Department for a minor issue could be waiting for several hours.

For minor health issues that do not require immediate attention, there

are phone and virtual options. Health Connect Ontario - formerly Telehealth, is a provincially run, 24/7 phone line where patients can speak directly to a nurse for advice. Health Connect Ontario can be reached by calling 8-1-1, and if in doubt, nurses can help determine if an ER visit is advisable.

Virtual visits with a GBHS doctor are also available every Monday, Wednesday, Friday and Saturday from 8:00 am to 3:30 pm. Virtual urgent care is a great option for those who need to see a doctor, but cannot get in to see their family physician, or are not sick enough to go to an Emergency Department. Users need to have a phone or other device with audio and video capability to connect with the doctor. In most cases, virtual care is faster than waiting in an ER. Patients of all ages are able to utilize this free program, with children under 18 requiring an adult for registration.

Patients must register online first at the GBHS website prior to getting a virtual appointment: <https://www.gbhs.on.ca/virtual-urgent-care/>

Reporter’s Notebook – Councillor Golden Exonerated (Again); New Candidate for Council

By John Francis,
Bruce Peninsula Press

A second, anonymous conflict of interest allegation against MNBPCouncillor Laurie (Smokey) Golden has been dismissed by the municipality’s Ethics Commissioner, Harold Elston. A similar complaint, based on the same arguments, was dismissed last year.

The complaint hinges on the fact that Councillor Golden’s brother, Brent Robins, owns Bruce Anchor Cruises. The complainant claims that Councillor Golden violated the Municipal Conflict of Interest Act (MCIA) when she participated in, and voted to pass, a Housekeeping Amendment to the Comprehensive Zoning Bylaw. The purpose of the Amendment was to regulate the use of C1 lands by the tour boat industry.

Commissioner Elston’s decision, which is included in the Agenda for MNBPC’s July 25 Meeting, noted that the Amendment will affect all tour boat operations in the municipality, not just Bruce Anchor Cruises. He also quoted from the report from last year’s decision dismissing a

similar complaint: “Pursuant to section 3 of the MICA, the pecuniary interest of a sibling of a member is not deemed that of the member. Accordingly, ... I find that L.G.’s actions in this matter would not have contravened the MCIA.”

A few excerpts from Commissioner Elston’s decision:

“In the hopes of satisfying what seems to be an on-going concern over Councillor Golden’s involvement in matters related to the Tobermory harbour, however, I will provide a more expansive discussion about conflicts of interest in general and the conflict provisions of the Code...

“Contrary to the reply submissions of the Complainant, the determination of whether a conflict of interest exists involves not only the discovery of an interest in the matter before Council, but also the presence of a conflict between that interest and the public interest; a requirement that demands consideration of the full context in which the decision is made. While the involvement of sibling in a matter before Council will always raise a presumption of a conflict, that presumption may be rebutted when the full

picture suggests otherwise.

“Turning to the facts of this matter, the ZBA covered a large area of Tobermory and affected many different businesses and land uses. Bruce Anchor Cruises was but one of many businesses potentially affected by the provisions of the ZBA.

“Moreover, I accept Councillor Golden’s evidence that the boat tour industry is crucial to the economy of the area and that she was acting out of a sense of duty to support and preserve the economic well being of her community. In this regard, I accept that she was using her influence on behalf of constituents, as contemplated by section 4.10 of the Code and was “truly, faithfully and impartially exercising her office to the best of her knowledge and ability”.

Yvette Roberts Running For Council

Yvette Roberts of Tobermory has filed nomination papers for the upcoming municipal elections. She will be running for one of the three Councillor positions.

She joins current Councillor James Mielhausen, who is running for Deputy Mayor.

Current Trustee (and Board Chair) Jane Thomson of Lion’s Head has filed nomination papers for Trustee for Bluewater District School Board (public).

Lucie Desbiens of Port Elgin and Jeanette Lee of Chepstow have filed to be the English Catholic School Trustee. Eric Lapointe of Barrie has filed to be the French Public School Trustee. No one has yet filed for French Catholic Trustee.

Rotary Pancake Breakfast This Weekend! Sunday, July 31st

Submitted by Rob Hiscott

Our third Rotary Pancake Breakfast of 2022 will be held this coming weekend which will take place at the Rotary Pavilion next to Lion’s Head Beach on Sunday, July 31st between 8:30 and 11:00 AM.

As always, our Rotary Breakfasts include pancakes with real maple syrup, scrambled eggs, pork sausages and hash browns, as well as orange juice and coffee to drink. Due to inflation impacting prices of all breakfast ingredients (and the propane used to heat our grills), we had to increase our breakfast prices to \$15.00 for adults and \$7.00 for kids aged 12 years and under.

Rotary breakfasts are ‘cash only’ since there is limited/poor wifi/internet connectivity for e-transfers at the Rotary Pavilion down by the beach. As always, all profits from our Pancake Breakfasts go towards Rotary local community projects.

We encourage you to bring your own plate and cutlery if possible to help reduce waste from this breakfast event. In addition to table seating by the beach, there will be an option for breakfast pick-up for those wishing to take away their breakfast.

Once again, our sincere thanks to our corporate sponsors – Miners’ Maple Products (providing maple syrup for the pancakes) and Lion’s Head Beach Motel (providing the coffee) for their continuing support for our Rotary Pancake Breakfasts! Our newest corporate sponsor is Barbara Dirckx, RE/MAX Grey-Bruce Realty Inc. who contributes by covering the costs of placing advertisements for our Rotary Pancake Breakfasts in Bruce Peninsula Press! Thanks so much to our generous corporate sponsors for helping cover the costs of our Rotary Pancake Breakfasts!

And thanks to everyone who came out to our previous Pancake Breakfasts on Victoria Day and Canada Day weekends, and we hope to see you for breakfast this coming Sunday at the Rotary Pavilion down by Lion’s Head Beach!

Rotary Donates Hanging Baskets of Flowers to Golden Dawn

Rotary recently donated 10 hanging baskets of flowers (purchased locally from Peninsula Out of Doors in Ferndale) to brighten the gardens and outdoor patio area of Golden Dawn Seniors Home here in Lion’s Head. The photos taken just over a week ago show the baskets of flowers in full bloom in the summer sun!

Rotary Bars for Theatre Events at Rotary Hall

By the time this article appears in print, Rotary will have tended bars for the theatre production of ‘Falling: A Wake’ by Gary Kirkham, presented by Northern Bruce Theatre and The Inspired Acting Lab (University of Windsor), performed at Rotary Hall on the evenings of July 21st to 23rd, with a matinee performance on July 24th.

Rotary can run bars for local community events at Rotary Hall and Lion’s Head Arena, so contact any Rotarian if you have an upcoming event and would like us to help out.

We're here for good.

Media Release
July 19,
2022 – OWEN
SOUND, ON
— Community

Foundation Grey Bruce (CFGB) is seeking passionate members of our communities to become involved in our committees and Board of Directors. The Board of Directors of CFGB aims to represent the entire region of Grey Bruce, encompassing local municipalities and First Nations.

Kerina Elliott, Past Chair of CFGB, shares that “participating as an active member of the CFGB Board provided me with great insights and learnings about the workings of our community, its needs, and the actions being taken to address such concerns. Further, I was honoured to participate in creatively and proactively developing new initiatives, assisting the Foundation and their multiple partners, and in their philanthropic endeavors - all with the intent of strengthening our community.”

Ideal candidates for committees and board service:

- Know their communities and shared local histories
- Possess the ability to consider issues beyond their individual community, personal and professional interests to impact charitable needs and opportunities throughout the region
- Exemplify the virtues of trust and confidence
- Have demonstrated community service by serving on committees or boards

- Will work to encourage philanthropy in their community
- Will take an active role in advancing CFGB’s mission and impact as an Ambassador

In support of the strategic objectives of the Foundation, we are seeking candidates possessing professional or volunteer experience in Finance and Investment, Social Impact Investing, Donor Stewardship, Digital Marketing and Technology, Human Resources, or Legal.

CFGB is committed to the principles of equality and inclusion without regard to race, colour, religion, nationality, social or ethnic origin, sex, age, disability, sexual orientation, gender identity and/or expression, domestic partnership status or any other status that is representative of the communities we work in. CFGB encourages applicants from all communities.

Apply by August 15, 2022. Please submit a written expression of interest including relevant qualifications and previous community service to Stuart Reid, Executive Director, at stuart.reid@cfgb.ca

Sharron Coulter was presented with the Ontario Senior of the Year Award, acknowledging her many valuable contributions to the community.

It was noted that Sharron’s work with the Grey Bruce Seniors Without Walls program was a huge benefit to the seniors especially during the COVID-19 lockdown.

Mayor McIver noted that the Senior of the Year Award gives the Municipality of Northern Bruce Peninsula the opportunity to honour an outstanding individual for the contributions she has made to enrich the social, cultural, and civic life within the community.

Public Meeting

Zoning By-law Amendment Z-2022-039 - 104 Bay Street South

Public Meeting - June 27, 2022

Megan Stansfield - Planner, County of Bruce, Planning and Development Department

Having declared a pecuniary interest, Councillor Mielhausen did not participate in this portion of the meeting.

Bruce County Planner, Megan Stansfield, was present via Zoom and provided an overview of the proposed Zoning By-law Amendment Z-2022-039 for 104 Bay Street South

It was noted that the purpose of the application is to amend the R1 - Detached Residential zoning of the entire property to C1A-62-2022 Commercial with a special provision to permit and limit the use of the property as a rental cottage establishment.

Within the Planning Analysis, it was noted that the existing residential zoning on the property does not permit the use of the single family detached dwelling as a rental cottage establishment. Additionally, the properties south of 104 Bay Street are zoned residential, while the properties north are zoned commercial. It was further noted that the Blue Heron Company owns and operates the properties at 106, 107, 109 and 112 Bay Street as a part of Wireless Bay Cottages. Megan Stansfield indicated that these properties are all zoned C1A, to permit the use of the dwellings as rental cottages and that the proposal is to change the zoning of 104 Bay Street South to be consistent with the other properties owned by the company.

It was clarified that the Grey Sauble

Conservation Authority identified natural hazard features on the property associated with the flood and erosion hazard of Georgian Bay, being the 100-year flood lake level and the wave uprush. It was further noted that no development is proposed within these features so, the proposal is considered consistent with the Provincial Policy Statement.

It was noted that no public or agency comments were received prior to the Public Meeting.

Councillor Golden noted that she was not aware that the Tobermory Harbour Boardwalk could be extended in this area. Ms. Stansfield stated that if the proposed land was developed that one of the stipulations would involve Site Plan Control and the dedication of a Right-Of-Way if the boardwalk was ever extended.

Mayor McIver opened the public meeting up to members of the public at this time.

Helen Chen appeared via zoom and inquired regarding the grandfathering clause contained within the Short-term Accommodation By-law if their property was sold to individuals who wished to operate a Short-term Accommodation.

It was noted that Short-term Accommodations that existed prior to the implementation of the Short-term Accommodation By-law and are located in zones that are not eligible for a Short-term Accommodation Licence, are able to be “grandfathered” into the Licence by

It was noted that further review from the Municipality of Northern Bruce Peninsula's Building Department would be required regarding the inclusion of ADUs within Commercial Zones that are being utilized as residential properties.

Discussion ensued regarding the implementation of ADUs on agricultural land. It was noted that the construction of ADUs on agricultural land will not be considered as future consent to sever land.

Genevieve Scott noted that the provisions included within the Comprehensive Zoning By-law Amendment indicate a farm cluster for these scenarios to ensure that all ADUs constructed on agricultural land are located within a certain proximity to the principle dwelling.

Mayor McIver stated that any questions relating to the eligibility of an area to construct an ADU should be directed to the Municipality's Chief Building Official, Wendy Elliott.

Mayor McIver opened the Public Meeting to questions from members of the public.

Karen Phillips appeared in person and inquired regarding the capacity of the Building Department to issue the permits generated by the implementation of the Comprehensive Zoning By-law in addition to the permits currently issued by the Municipality, including sewage, building, renovation and plumbing. She further commented on the carrying capacity of the Bruce Peninsula as it relates to the establishment of ADUs, servicing requirements for ADUs and Garden Suites, attainable housing strategies, and compliance issues with the Short-term Accommodation By-law

Mayor McIver noted that full compliance is difficult to achieve during the first season following the passing of the Short-term Accommodation By-law and that the Municipality is focusing on the education of property owners regarding the requirement of a Short-term Accommodation Licence. He further stated that the By-law Department is actively working to ensure compliance of Short-term Accommodations within the Municipality of Northern Bruce Peninsula.

Chief Building Official, Wendy Elliott, noted that, with respect to sewage, all properties are required to have a sewage permit as well as demonstrating that the servicing requirements as stated within the Building Code are met. She further noted all properties will be reviewed and followed up on before an ADU is permitted on a lot. Councillor Mielhausen noted the Lakewood

Subdivision only permits a maximum of four bedrooms per dwelling as per their agreement and this should be investigated.

Discussion ensued regarding restricting the number of ADUs within the Municipality. Chief Building Official, Wendy Elliott, noted that the issuing of permits relating to the establishment of ADUs would be dependent on the properties ability to obtain proper servicing for the structure. Genevieve Scott noted that Bruce County Planning is restricting the number of ADUs permitted on shoreline areas and on inland lakes which is reflected primarily in the R2 zone. She further stated that only one ADU is permitted per parcel in the R2 zone and that it is required within the principle dwelling.

Karen Phillips further commented on the significant development and removal of trees on lots throughout the Municipality.

Mayor McIver noted that individuals can contact Bruce County regarding concerns towards the removal of trees.

Councillor Myles noted that the requirement of servicing permits for buildings allows the Municipality to adapt to changing servicing requirements as well as to monitor future development of ADUs.

She further noted that the current housing market within the Municipality is unfavourable in terms of attainability and affordability. Councillor Myles stated that the ability of individuals to construct smaller single family dwellings would facilitate lower construction and heating costs for individuals who wish to live within the Municipality full time or seasonally.

Brenda Stewart appeared in person and requested clarification regarding the provisions contained within the Comprehensive Zoning By-law Amendment as it pertains to minimum gross habitable square footage.

It was noted that existing undersized lots, located in RU, R1 and R2 zones would have the minimum gross habitable square footage waived, subject to the proposed dwelling adhering to Building Code requirements.

It was further noted that all zones, R1, R2, R3, RU1 and RU2, will have their minimum gross habitable square footage requirements reduced from 1000 to 750 square feet.

Chief Building Official, Wendy Elliott, stated that alternative servicing options will be considered for Tiny Homes subject to compliance with the Building Code.

Julie Wardrope attended via Zoom and requested zoning information pertaining to a Dyer's Bay Property.

Receiving no further public comments, Mayor McIver closed this portion of the public meeting at this time.

Mayor McIver thanked Cuesta Planning Consultant, Genevieve Scott for her presentation.

Lion’s Head Friendship Club Holding “Drop in Tuesdays”

Submitted by Maxine Catteau

We are trying something new again! “Drop In Tuesday” at 1:00 pm is a free unorganized afternoon. Drop in, play some games or cards, or just chit chat over a coffee, bring a friend. This is a great opportunity for members, or prospective members, to use the hall.

We had a great time at our first “Drop In Tuesday” playing some crib, some hand and foot, and a little bit of Bid Euchre. A couple of us particularly like hand and foot, so if there’s any more players out there please come out on a Tuesday afternoon.

Mondays have become quite busy, usually with about eight tables or 32 people playing cards. What a great way to spend an afternoon.

And of course, our Fridays are still happening with anywhere from 4 to 6 tables.

We had our Anniversary Turkey Dinner which was a great success. We’d like to think Tim Hayes and the bottle return for help with that dinner. We received an award presented by Sharon Colter from the Council on Ageing for our activities within the community of Northern Bruce. Many thanks for that and to all the volunteers who made that happen within the club.

Our club does many activities from soup lunches to full dinners, cards, euchre, bid euchre, bridge, line dancing, and now drop in Tuesday. We just had our first free games day which was so much fun with everyone getting lunch and a prize for participating. Our Bid Euchre had a free lunch before playing for Canada Day.

We are a year-round club, so whether you’re a senior or a young person we have room for you. Our membership is around 100 now, making us one of the largest clubs on the peninsula. The level of activity you want to be involved in is your choice; just coming out to lunch or supper, or volunteering because you have a little bit of time on your hands, we would love to have you. Over the years we have created life-long friendships – just this year alone I have met many new people/new friends who have lived here for many years and are now just getting out.

If you are looking for something to do in NBP but are busy for the summer, try us in September. We hope to have a full calendar of our events available after our September meeting. If you’d like to come to the meeting we are always looking for new suggestions. Thinking of going to the Roxy but are on your own or don’t drive? Or just a movie in Owen Sound? Come out to a meeting – maybe there are more who are sitting at home thinking the same thing.

We live in a unique area where as we age we don’t have the same opportunity to get to these things; no taxis or buses, so when you are sitting there bored think about others in the same situation and come out and make a suggestion or give us a call and we will try and help each other.

Photo: The Monday group enjoys a lovely afternoon of cards and socializing.

St. Edmunds Museum Hosting Local Carvers Display August 10th

Submitted by Ruth Bainbridge
Last week, the St. Edmunds Museum hosted an outdoor exhibition of the work of local quilters. The quilters group, which meets on Wednesdays at the Light and Life Chapel, displayed more than 30 superbly crafted quilts on the museum grounds.

A large number of tourists and local residents came out to admire them. This was one of several occasions throughout the year, when the museum showcases the modern culture and art of the upper Saugeen Peninsula. For example, on Wednesday, August 10 there will be a display and demonstrations of the work of our local carvers.

The museum also preserves and celebrates the culture of the past. The upper peninsula was occupied from time immemorial by the Chippewas of Nawash whose story, set out in the recent court case, is now lodged in the museum. The early settlement by Europeans is depicted in several beautifully crafted dioramas in the main building along with several artefacts, a restoration of part of the original schoolroom, a chapel and, away from the main building, one of the first houses built in Tobermory with some of the original furnishings.

The museum is the only one of its kind on the peninsula and it is visited by hundreds of tourists from all over the world. They all express fascination with the pioneer life and many, even from India, find that their own grandparents had similar experiences. The museum tells the story of the people of the peninsula, how they lived and survived in a subsistence economy. According to TripAdvisor and other internet sources, the volunteers who work at the museum do this brilliantly.

As a municipally funded museum, we contribute three to four thousand dollars in donations per year to support our operating expenses and ongoing projects. It is a growing concern. This year another of the original settler cabins will be moved to the site to enhance our knowledge of life 150 years ago. The museum committee has also decided to build a pavilion as a venue to display the many modern arts and cultural activities in the community and to shelter the artisans.

As well as the quilting exhibit, the museum hosts events by the wood carvers and weavers and spinners. In the past, there have also been special exhibits of tatting, wedding gowns, stringed instrument making, and early photography.

Veterans are celebrated for their central role in the community’s life. The main building contains a comprehensive display of Tobermory’s veterans. Some, such as Bert Hopkins who served in the

elite US/Canadian Black Devils Brigade in WW2 and later with the UN in the Congo, had extraordinary military careers. There is also a large archive of newspaper clippings, photographs, history books and family genealogies.

In July and August, the museum is open everyday from 11am to 4pm. If you would like to become part of this exciting and creative project contact the museum.

Photo: The museum partnered with local community group, the Tobermory Quilters, to host a quilt show on the rail fence that runs from the school house to Jacob’s Cabin.

We are all well aware of how difficult the last few years have been. The Lion’s Head Hospital Auxiliary (LHHA) is now back in full operational mode.
The perennial sale was a great success as was the yard sale and the silent auction.
Many thanks to all for your support of the events, the folks who kindly donated their perennials, the members who dug and potted, and all those who came out to purchase plants. Thanks to

all. We certainly are part of an amazing community.
Your generosity has made it possible to fund many essential items for our hospital. In the past few months your support has funded overhead and bedside tables (\$20,000), pumps and specialty mattresses (\$3,725), boardroom upgrades (\$8,000), and two vital signs machines (\$5,000).
As we are now able to have more events we are looking forward to continuing to help in keeping our hospital equipment up to date.

Hospital Auxiliary Bookstore

Looking for a good book to read at the beach or cottage? Check out the Hospital Auxiliary Bookstore located on the lower level of Christ Church Anglican Church on 55 Main Street, Lion's Head. The bookstore will be open on the Civic Holiday Weekend on Friday and Saturday from 10 a.m. to 2 p.m.

Available at the bookstore are science fiction, thrillers, fantasy and adventure in paperback and hardcover for both adults and children. There are a variety of non-fiction books ranging in topics such as history, politics, gardening, cooking, biographies, health and self-help. A selection of music CDs and Movie DVDs are also available. Proceeds of the sales go to support the Lion's Head Hospital and healthcare on the Bruce.

Memorial Scattering Garden

Looking for an affordable way to stay on the Bruce forever? Stop by the Open House for the Memorial Scattering Garden. The Trustees for the Garden will hold an Open House on July 30 from 10 a.m. to 1 p.m. to showcase the Garden and provide information on scattering ashes of loved ones.

The Garden is located behind Christ Church, 55 Main Street, Lion's Head. Enjoy a glass of lemonade and visit this oasis in the midst of Lion's Head. (more info see article page 20)

Rotary Pancake Breakfast

After a night of dancing, no need to prepare breakfast, but come out on Sunday morning and support another worthy cause. All monies raised supports charitable causes on the Bruce.

The Rotary Club's Pancake Breakfast will be available Sunday, 31 July, from 8:30 a.m to 11 a.m at the Rotary Pavilion next to the Lion's Head Beach. Enjoy pancakes with real maple syrup, sausages, hash brown, scrambled eggs, coffee and/or juice. The cost is \$15 for adults, children aged 12 years and under are \$7. Please note it is 'cash only' since there is poor wifi connectivity at the beach for e-transfers.

Local Musicians will entertain you while you enjoy breakfast, yet another chance to listen to great music in a beautiful setting. (more info see article page 7, see ad page 3)

Sandcastle Competition

The ever popular Sandcastle Competition is back, and with the lower water levels this year, there is more beach available for the sand sculptures. This year the event is being sponsored by The Shops at 84 Main and the Community Bottle Drive.

Bring your shovels and creative skills and come out to the Lion's Head Beach on Sunday, 31 July. Families and individuals of all ages are invited to participate. Registration is between 11 a.m. and noon. Judging will be at 2 p.m.

Annual Lions Horseshoe Tournament

The Lions Club will host their Annual Lions Horseshoe Tournament on Sunday, 31 July at the Lion's Head Beach. Registration is open until 11 a.m. All ages are invited to participate.

Winners will be awarded for all levels of game skills in various categories of competition. Grilled burgers and hotdogs with all the fixins' and ice cold beers, coolers and soft drinks are offered for purchase. Yet again, another worthy charitable cause to support while having fun and enjoying great food! (more info see article page 3)

Cabot Head Model

Disappointed that the Cabot Head Lighthouse is closed to visitors yet again this year? You can see a model of the Meneray Fishery and the mouth of Wingfield Basin as it looked circa 1950.

Built by The "Diorama Group of Seven" comprising of Stan McClellan, Wayne Beutel, Mike Marshall, Clive Morgan, Brian Swanton, Jim White and Doug Ludwig , the model is available for viewing at the Lion's Head Marina Office.

Royal Canadian Legion Branch 202 Lion’s Head Fish Fry Dinner August 16th

Submitted by Peter Dodge, PRO, Lion’s Head Legion Branch 202

The Royal Canadian Legion Branch 202 Lion’s Head’s will be holding its much anticipated “Fish Fry” Dinner on Tuesday, August 16th at our Branch located on 6 Hellyer Road from 5:00pm to 7:00pm.

Tickets will be \$21.00, there is a strict limit of 200 tickets available. Please book your tickets ASAP as this is always a sellout event. Buy your tickets from Coordinator Wayne Morningstar by calling 519 592 5846. Or contact any local Legion Executive Member who will assist you.

Sharron Colter Awarded “Senior of The Year”

At the June 27th Northern Bruce Peninsula Council meeting Sharron Colter was awarded, by Mayor Milt McIver, the “Senior of the Year Award” in recognition of her outstanding contribution to our community for our Senior Citizens. The award was signed by The Honourable Raymond Cho, Ontario Minister for Seniors and Accessibility,

Photo: Enjoying a wonderful Beef Dinner at the sellout event on July 12th, 2022.

plus Elizabeth Dowdeswell, Lieutenant Governor of Ontario. Among Sharron’s many responsibilities, she has been Legion Branch 202 Secretary for many years.

Sellout Beef Dinner

July 12th, 2022 our Branch hosted a wonderful Beef Dinner to sellout participants. Special thanks for the success of this event go to Event Coordinator Wayne Morningstar and the Ladies of our Branch Auxiliary. These

amazing ladies yet again performed their miracles in the kitchen. Without them, functions like this would be impossible.

Wayne thanked all the additional Legion Members for their help to ensure the success of this event.

Ruck to Remember

During the early part of July, many Legion Branches along The Bruce Trail were involved in the ongoing “Ruck 2 Remember”. This trek will be the full length of the trail from Tobermory to Niagara on the Lake. Please see special report, from Branch President, Richard Smith below.

Lion’s Head Legion Hosts Ruck 2 Remember

Submitted by Richard Smith, President, Lion’s Head Legion Branch 202

It was a great honour and pleasure to host the Ruck 2 Remember team at the Lion’s Head Legion from Thursday, July 7 to Sunday, July 10. To begin, I would like to thank Sharron and Don Colter, Susan and Dave Uren, Wendy and Brian Reis, and Mary and Richard Smith for hosting the team and for serving and preparing their breakfasts and supper. It was greatly appreciated by all.

The Ruck 2 Remember is a registered not-for-profit that was established to support veterans, police, firefighters and paramedics. The team organizes two major events each year, the annual “Road 2 Recovery” which raises funds for “Operation: Leave the Streets Behind” and the “Canuck Ruck for the Homeless” which is an annual outreach event where the team collects clothing, gift cards, and care packages for the homeless and traverses the city handing them out to those that are most in need.

“Additionally, we support other events whose causes overlap with our own by providing man power and leveraging our experience in fundraising and organization. We consider ourselves a workhorse organization.” (Information taken from their website)

This year, the annual Road 2 Recovery is walking the entire Bruce Trail of 900 kilometres starting in Tobermory on July 5 and ending in Niagara-on-the-Lake on August 7. They are supporting “Leave the Streets Behind” which assists veterans who are homeless. As they walk the Bruce Trail, they will be having breakfast, supper

and lodging at 20 different legions along the way. The Lion’s Head Legion is the second legion where they have stayed.

The members of the Ruck team are Lino Di Julio, Joey Dimauro and Dave Ward. Dave is the driver who provides support for the two hikers. Lino told me that he and Joey took some beautiful pictures of this portion of the trail, and met some interesting hikers along the way

Dave, the driver’s job, is to take the other two men back to the trail after breakfast and pick them up at the end of the day. The driver is also the team’s backup. If one of the hikers needs something, he can contact Dave by cell phone. The driver also does other tasks for the men as required.

One of the questions that I asked Lino and Joey was what training they did to prepare for such a marathon walk. They informed me that they would go out every day and walk the Bruce Trail in the Hamilton area. They also went to the gym and did running on a treadmill carrying 20-pound weights.

One of the reasons for this type of preparation is that these hikers carry rucksacks weighing 50 pounds. The rucksack contains water, food, and other necessities.

As of July 8, the team has raised \$75,000 for Homeless Veterans. Lino also told me that the team is sponsored by 20 companies.

If you wish to read further information about Ruck 2 Remember the team has a website. Goggle Ruck 2 Remember and you can see their website. The team also has a Facebook page where you can see parts of the Bruce Trail that the team has walked.

Memorial Scattering Garden to Hold Open House July 30th

Photo: The Memorial Scattering Garden, located behind Christ Church at 55 Main Street in Lion’s Head, is described as a sanctuary, a sacred place, a quiet haven of rest, reflection and prayer.

By Joanne Rodgers, Bruce Peninsula Press

An Open House for the Memorial Scattering Garden will be held on July 30 from 10 a.m. to 1 p.m. The Garden is located behind Christ Church, 55 Main Street, Lion’s Head.

The Memorial Scattering Garden is described as a sanctuary, a sacred place, a quiet haven of rest, reflection and prayer.

Everyone is invited to drop by, enjoy a glass of lemonade, juice or water, and

take a wander in the garden; or sit and relax on a garden bench. Trustees of the Garden will be on hand to answer your questions.

The aim of the Open House is to promote the Memorial Scattering Garden and inform the community of this possible option - as a place where they can bring the ashes of their loved ones.

Alison Knight, churchwarden and trustee of the Garden says it has already been a busy summer, with four scatterings in the month of July.

Homecoming Weekend Pack The Cruiser at Hellyer’s Foodland

Submitted by Darlene Myles
The Lion’s Head & District Food Bank, in collaboration with the OPP Auxiliary Officers, will be hosting a Pack The Cruiser

event on the Homecoming weekend in Lion’s Head.
The police vehicle will be parked in the lot of Hellyer’s Foodland on Saturday,

July 30, 2022. Bagged goods needed by the food bank will be available for purchase in amounts of \$5, \$10 and \$20. Other donated items will not be turned away.

Donations of cash or gift cards are also accepted by the Officers.
This food drive will restock our shelves to assist us in providing hampers for the next few months.

Learn to Know the Dark – 5 Principles For Reducing Light Pollution

Submitted by Mike Warkentin, Biosphere Association Volunteer aka “The Dark Sky Guy”
American Poet Wendell Berry wrote:
To go in the dark with a light is to know the light.
To know the dark, go dark.
Go without sight, and find that the dark, too, blooms and sings, and is traveled by dark feet and dark wings.

One of the reasons my wife and I purchased a cottage on the Northern Bruce (Saugeen) Peninsula is because of my love of dark skies. On some nights with no moon, you can almost not see the hand in front of your face, it is that dark. When the Milky Way rises, it is almost bright enough to light your way.

Sadly, the dark skies are disappearing. It’s estimated that over 80% of North Americans can no longer see the Milky Way. We are going into the dark with light, and thus knowing the light, not the dark!
We are blessed here with some of the darkest skies in North America, due to the peninsula being surrounded on three sides by water, and the nearest light pollution coming from Owen Sound. Where I live in Mississauga, you have skies that are so bright, you are lucky to see some of the brightest stars.
But we are losing our dark skies up here, slowly but inevitably. Neon advertising signs, a new lighthouse with lights that are on all night, and homeowners lighting up their decks or properties with non dark sky friendly lights are just some examples of why dark skies are disappearing.
I was recently contacted by someone

whose neighbour just strung up raw light bulbs to illuminate their path to their hot tub, not realizing their neighbours can now watch them crawl into and out of the tub. To help, I hand delivered some friendly “Are You A Good Light Neighbour” pamphlets that they can discretely drop off at their neighbours place.
So how can we learn to know the dark again?
Follow the 5 principles set out by the International Dark Sky Association for reducing light pollution:
1) **Useful:** Install lighting only when and where it’s needed
2) **Targeted:** Shield your lights so they shine down on the ground, which reduces harmful glare and decreases sky glow
3) **Low Light Levels:** Light should be no brighter than necessary
4) **Controlled:** Use controls such as timers, dimmers and motion sensors on outdoor lights
5) **The Appropriate Color:** Use warm color lights where possible (yellow or 3000K CCT or less) and limit the use of harmful blue wavelength lighting.
If you have an issue with a neighbour’s light, reach out to the BPBA using the contact form at <http://www.bpba.ca/> contact and I would be happy to drop off some pamphlets that you can use. Also there are a lot of great “neighbour friendly facing” resources at <https://www.darksky.org/our-work/grassroots-advocacy/resources/public-outreach-materials/> on the International Dark Sky Organization website.
Let’s all learn to know the dark again!

Return To School Backpack Program Providing Backpacks for Low Income Families

Submitted by Darlene Myles, Lion’s Head & District Food Bank
The United Way Bruce Grey is in its 17th year of providing Back-to-School backpacks for low income families in Bruce and Grey County. The backpacks contain age and gender appropriate quality school supplies. The age categories are primary, intermediate and senior elementary as well as secondary school. The gender categories are girl, boy or gender neutral.

Backpacks can be ordered by calling 2-1-1. Deadline for ordering is August 25, 2022. The backpacks will be available the week before Labour Day weekend.
If you are interested in supporting this program financially or with backpacks or school supplies, refer to the United Way Grey Bruce website for a list of recommended supplies. Items can be dropped off at Staples or the United Way

office in Owen Sound (380 9th St. East, Owen Sound).
Only new backpacks are accepted and distributed. If you have gently used

backpacks you would like to donate, Safe n Sound Grey Bruce (310 8th Street East, Owen Sound) and the CMHA Grey Bruce (1024 2nd Ave., Owen Sound) will accept these donations.

Biosphere Association Offers Help With Failing Septic Systems

Submitted by Bruce Peninsula Biosphere Association
In the last six years, the Bruce Peninsula Biosphere Association with support from Ontario’s Ministry of Environment, Conservation and Parks has helped landowners replace 50 septic systems and the inspection and minor repairs of 100 other systems.
Currently the Municipality does not have a residential septic system inspection program, so for example, systems installed 20 years ago may not have been inspected unless the owner requested it. Best practice suggests a system be inspected every three years.
To qualify for the \$4,000 support payment offered by the Biosphere Association to replace a failing system, the septic system needs to be inspected and

impairing the water quality of the lake or rivers in high priority areas.
Septic System Maintenance Workshops
Workshops on how to properly maintain a septic system will be held as follows:
- **Thursday, August 11** from 9am to 10:30am at Swan Lake Legion, 3275 Highway 6.
- **Friday, August 12** from 9am to 10:30am at Lion’s Head United Church, 54 Main Street, Lion’s Head.
So, if you are new to having a septic system, have questions about the functioning of your system or need a refresher on latest best practices please join us. Everyone welcome!

BPEG To Host Two Monthly Meetings This Summer

Submitted by Joanne Rodgers
The Board of the Bruce Peninsula Environment Group (BPEG) is organizing two summer meetings. Everyone is welcome to the Monthly Meetings.

Upcoming summer meetings:
• **Local Food – Wednesday, August 3, 7 p.m. at the Rotary Hall, Lion’s Head.**

-Eat Local Grey-Bruce: food co-op of producers and consumers, offers weekly on-line food orders delivered to our community.
-Good To Go: Meal kits using seasonal and local food, prepared weekly, ordered on-line and delivered to our community.
• **Turtle Tracking Project – Wednesday,, September 7, 7 p.m. (Location TBD).**

-Parks Canada presents their ongoing project to monitor turtle habitat and protect nests and newborns.
If all goes well, the plan will be to continue the monthly meetings into the Fall with the Annual General Meeting to be held in November 2022.

New Board Members required
BPEG is currently looking for people interested in serving on the board. The board’s most important work is organizing meetings and projects focused on environmental concerns.
For more information on BPEG and its activities, check out the website at <https://bpeg.ca/>

Tobermory Legion Branch 290 Continuing to Fundraise

Submitted by Elaine Sinha
As we head into the midpoint of summer (when did that happen?), town is busier than ever and we are finally experiencing hot weather.
Here is a recap of the Legion’s ongoing initiatives:

Silent Auction for Inuit Wool Wall Hangings
The Legion has been very fortunate to receive a donation of 3 beautiful Inuit wool wall hangings. The artist is Monica Pingushat, who resides in Arviat, Nunavut, an Inuit community of approximately 1,500 people located on the western shore of Hudson’s Bay. Ms. Pingushat has stitched

her name into each piece in her native Inuktitut.
Each wall hanging is exquisite and demonstrates the incredible stitching skills of the Inuit women, as well as depicting images of tradition, culture and natural environment of the Inuit.
The Executive is holding a Silent Auction over the summer for these amazing works of art. They will be on display at the branch and at bingo at the Tobermory Community Centre on Wednesday evenings. Please take a look and hopefully place a bid.
Dunks Bay Veterans Memorial
Fundraising for refurbishment of the memorial continues. Within the next 12 months the Legion is looking

to add a new stone to the monument which will accommodate an additional 30 veterans’ names and replace the base of the monument with a new concrete pad. The estimated cost of this project is \$5,000, and although the legion has some funds earmarked for the project, we are well short of funds required to complete it.
Our veterans need to be honoured and we are looking for assistance from the community to help raise the additional funds needed to make this happen. If you are interested in donating to this worthwhile project, you can attend the legion in person during business hours Thursday, Friday, Saturday from 3:00-9:00 or by e-transfer to donate@tobermorylegion.org Please put in the memo section that this donation is for the Dunks Bay Memorial project.

Thank you to those who have already donated; we are well within reach of our goal!

Upcoming Events

• **Meat Draws** - every Saturday at 4:30 p.m. All are welcome; come on out and

win some meat! Cost is \$7.00 for 3 draws, plus the bonus draw. Apparently, the lucky table has gone winless; so there is hope for the rest of us, but only if you come to the Legion.
• **Bingo** - every Wednesday at the Tobermory Community Centre run by the Ladies Auxiliary. Ages 19 and over, doors open at 6:30 pm, bingo starts at 7:15 pm. Come on out for fun and try to win the Jackpot.
• **B.B.Q Dinner** - Saturday, August 13 after the meat draw. Cost is \$14.00 for a burger, salad and dessert. Best and most delicious deal in town.
• **Club L** - Saturday, August 6 from 9:00 pm to 1:00 am; cover charge \$5/member, \$10/nonmember; valid membership and proof of id required. Cash only!
• **Bridge** - every Monday at the branch at 1:00 pm.
Branch Hours are Thursday, Friday & Saturday from 3:00 to 9:00 p.m. Unless it’s a Club L night, then those Saturdays until 1:00 am. Visit www.tobermorylegion.org or see us on Facebook.

In The Garden: Hints From A Mrs. Gardener Mid-Summer at The Bury Rd Garden

Submitted by Joan Regan
It has been beautiful gardening weather, BUT oh those mosquitos.
I’m slowly (emphasis on slowly) getting the mulch that I got from POD spread on the paths. It is quite a bit finer than the chips that are there now, so they are getting raked with the hard rake as well to blend them. Cleaning up the gardens and tightening them up, adding the mulch as I go to the paths – looking so much better.
Happy, Happy Gardens this year; everything is doing so well. Mother Nature’s hose seems to make the gardens so much happier.
I have a garden out the front that I’m having an issue getting at (nothing to do with the year I was born... nope nothing). So, I gave Cheri Janknegt @ And Rod a call and she came over and worked her wonders. Looks real pretty now, the way it used to. Thanks guys.
I got a few more Hostas. Ya, I needed them. I have found a great supplier online, “Hosta Full On”, two days and they arrive. I wanted a couple of real showy ones and

Dawn had them, “Whirlwind” and “Pocket Full Of Sunshine”. Their new home is on the back patio in bright red pots .
Hoping the big black furry guys that have been around leave them alone. They sure like to dump out the composters. I added more shredded paper to the compost when I make each deposit and so far so good. Our new pup Cove sure lets us know when they are around though. WOW – can’t believe that voice comes out of her.
Loving the look of the sunnier garden out back and so do the plants (seeing a couple that have been dormant for some time). So glad my Son Scot talked me into the trimming. Sadly, some of the Spruce trees will be coming down, however the Cedars all look ok.
All the chairs have been in place and tables beside them for my coffee just waiting for me. If only I could get rid of those dive bombers.
Into the Garden I go to lose my mind & find my soul.
Happy Gardening,
Joni

THANK YOU

I would like to thank the lady that helped me when I fell on the sidewalk in front of the Royal Bank in Lion's Head. I never asked her name. She kindly drove me to the hospital and made sure I went in and got looked after. Thank you wonderful lady for your help and kindness. Thanks to Dr. Matheson who took good care of me. So happy to be in God's country where people care!

Terry

THANK YOU

I wish to thank all of those who offered condolences and lent support to me, after my son Robert's passing in Toronto. The thoughtful words and many kindnesses are very much appreciated by myself and family.

OBITUARIES

NUIS, Hank - peacefully at his Stokes Bay home on Thursday July 14, 2022 at the age of 78 years. Beloved husband of Wendy (2021) for 57 years. Dear father of Steven (partner Heather), of Stokes Bay, and the late Craig (2002). Cherished grandfather of John Nuis (partner Lepeene), and Brandy Nuis. Sadly missed by his sister, Jeanette (Dave Diggins); sisters-in-law, Janice Gaskin (partner Gary), Linda Beatty, Janet Critchlow, and Cheryl Critchlow. Predeceased by his parents, Dick and Anna; and brothers-in-law, Lynn Critchlow and John Critchlow. Family wish to express their appreciation to the doctors and nursing staff of the Lion's Head Hospital for the amazing care provided to Hank. A Celebration of Life was held on Saturday, July 23, 2022 at Hank's home (220 Tamarac Rd., Stokes Bay) beginning in the early afternoon. Arrangements entrusted to the Thomas C. Whitcroft Funeral Home & Chapel, Sauble Beach (519) 422-0041. Donations to Chapman House would be greatly appreciated. Condolences may be expressed online at www.whitcroffuneralhome.com

WALLACE, Barbara Naomi - July 20/2022. At the wonderful age of 98, Barbara left behind her 4 children, Wilf Jr (Doreen), Mary (Steve), James (Nancy), Robert (Vivian), 11 grandchildren and 14 great grandchildren. Pre-deceased by her husband of 70 years, Wilfred Wallace. Barbara came from Montreal, lived in Toronto, then her beloved farm in Mono Mills and in retirement lived in Dyers Bay for many years. She was an accredited rose judge after taking her horticulture training from University of Guelph, and an avid gardener, also member of the Lions Head quilting group, and Tobermory United church. A celebration of life will occur at a later date. Charitable donations can be made to Tobermory United Church or Community Living London.

DIGITAL OPEN HOUSE

The Municipality is pleased to launch their 'Digital Open-House' for 2022. This website has been developed as a one-stop source for information on upcoming and ongoing Municipal projects. To visit the site and explore the projects, follow: <http://northbrucepeninsula.ca/openhouse/>

REPORTING A SHORT-TERM ACCOMMODATIONS (STA)

As of June 25, 2022, penalties are now in effect for short-term accommodations not registered. STAs operating without a licence will now be charged a penalty of \$600.00 a week, if found renting without the short-term licence.

If you wish to **report a Short-term Accommodation property**, please call the Municipality of Northern Bruce Peninsula's 24/7 Nuisance Hotline: **(1) 855-331-0489**. The map showing what address is registered to date, can be viewed at: <https://www.northbrucepeninsula.ca/en/invest/short-term-accommodations.aspx>

Anonymous complaints will not be processed. All complaints require a name, phone number, and/or email address, and a detailed description of the complaint in order for staff to properly respond and follow up to your inquiry. The Municipality implemented a process to register your STA. Please go to the following link: <https://northbrucepeninsula.ca/sta/> Any person who obtains a licence shall comply with the regulations set out in the Municipality's STA Licence By-law.

MUNICIPAL ACCOMMODATION TAX (MAT) EFFECTIVE AS OF JANUARY 1, 2022

On **Monday, September 27, 2021**, Council passed By-law 2021-83, being a by-law to implement the Municipal Accommodation Tax on January 1, 2022. The implementation of a four percent (4%) mandatory MAT is applicable on all short-term accommodations under 30 days. As per Council discussion, commercial establishments such as Hotels, Trailer Parks, Hostels and Bed and Breakfasts will be exempt from this by-law.

A Provider shall remit to the Municipality for the MAT collected for the previous quarter and submit statements in the form required by the Municipality for the purpose of administering and enforcing this By-law. These remittances shall be made by the end of April, July, October, and January for the respective previous quarter.

In addition, the Municipal Accommodation Tax (MAT) came into effect as of April 2022. The April, May, and June remittance of the **MAT is due July 31, 2022**. The implementation of a four percent (4%) mandatory MAT is applicable on all short-term accommodation properties (rentals less than 30 days).

How do I report and remit the Municipal Accommodation Tax that I collected?

STA owners can remit the MAT tax through the Municipal Website. The Municipality has partnered with a company called Harmari to collect the payments. Registered STA owners will receive a welcome email from Harmari that includes a Username and Password. There will be a link on the Municipal Website where you can access the reporting and payment. If you require assistance, please email cs@harmari.zendesk.com

REPORTING A PROBLEM

Please use the **"Report a Problem"** feature on the Municipal website to submit various types of complaints. Visit northbrucepeninsula.ca/reportaproblem. Once submitted, staff will be happy to assist.

2022 MUNICIPAL ELECTIONS

The next municipal election will be held on **Monday, October 24, 2022**. Elections for municipal government are held every four years on the fourth Monday of October.

The Term of Office - is from November 15, 2022, to November 14, 2026. Nomination Forms and Candidate Guides will be available from the Municipal Office beginning Monday, May 2, 2022. The Municipality of Northern Bruce Peninsula Council consists of the Mayor, Deputy Mayor and three Councillors.

Method of Voting - Council approved internet/telephone voting systems for use in the 2022 Municipal Election. No person who proposes to be a candidate may solicit or accept contributions for election purposes or incur campaign expenses until a nomination paper has been filed. Visit northbrucepeninsula.ca/elections/ for more information.

VOTER INFORMATION

As of July 22, 2022, the Voterlookup.ca re-direct message will be activated at this time, so the Preliminary List of Electors/Voter Notification File extract is completed. Following July 22, 2022, if your name is missing or your information changes, please visit the Municipality of Northern Bruce Peninsula Office to complete a Revision Form or call the Municipality at 519-793-3522 x236 to request a form by mail. Revisions can be made through to October 24th at 8:00p.m.

CURBSIDE WASTE AND RECYCLING COLLECTION

To ensure your materials are collected, please have them curbside by no later than 8:00 a.m. on Mondays. Waste Management can tell customers exactly what time the driver was at the customers address to assist with missed garbage pickups, etc. **All issues with curbside waste and recycling collection, including missed collections, are to be directed to the contractor at 1-888-730-3344.**

AFTER-HOURS TELEPHONE NUMBERS

If you require immediate assistance with a municipal water or sewer emergency, please call **(519) 372-3034**. For a municipal road hazard, by-law or livestock claim emergency, please call **1-866-750-8219**.

The Municipal Office is open Monday through Friday from 8:30 a.m. to 4:30 p.m.

HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM 2022

Now is a great time to remove hazardous materials and dispose of them in an environmentally safe manner. Household hazardous waste materials include but are not limited to the following items: Paints & Stains, Propane Tanks, Used Oil, Aerosols, Batteries, Antifreeze, Oil Filters, Solvents, Household Cleaners, Fluorescent Lights, Fertilizers, Fuel, Pharmaceuticals, Fire Extinguishers, Pesticides, Pool, and Chemicals

Event Location	Date	Hours	Location
Tobermory	Aug. 06/22	8:00-12:00	St. Edmunds Landfill – 71 McArthur Rd

FIRE PERMITS

For your convenience, fire permits are available on-line at www.northbrucepeninsula.ca. On the Municipal home page, scroll to the flame symbol beside "fire permits." Commencing April 1, 2022, daytime burning is not permitted unless the appropriate fire permit is obtained. Family fireworks permits are available online at nbp.burnpermits.com.

Campfires also require a permit. Permits are available online at nbp.burnpermits.com.

FIREWORKS

Residents and visitors are advised that, per Council direction, a by-law to regulate the sale, possession, use, setting off, ignition, and/or discharge of fireworks (By-law No. 2022-21) was approved in Northern Bruce Peninsula, on April 25, 2022.

All firework displays, whether Family Fireworks or Display Fireworks, **requires a permit** prior to fireworks show. Permit applications need to be received by the Fire Chief **30 days** prior to the fireworks show. The sale of fireworks is also prohibited by By-law No. 2022-21.

The sale of Family Fireworks and Display Fireworks is prohibited. Although the sale of fireworks is prohibited, Northern Bruce Peninsula will continue to work with business owners this year, to ensure continuing education about these new changes to the selling and possession of fireworks.

PAID PARKING/PARK PASS – EFFECTIVE MAY 15TH TO OCTOBER 15TH

A parking pass is designated to offer access to Municipal parking lots and other parking spaces in Tobermory, Lion's Head and other posted areas throughout Northern Bruce Peninsula. If residents do not have a parking pass, they may apply by emailing parking@northernbruce.ca or calling the Municipal Office at **519-793-3522 x 221**. All that's required — by mail, email or hand-delivered envelope — is a copy of your vehicle ownership, plus proof that you own or rent a dwelling in MNBP. Every dwelling/household is entitled to two parking passes per property.

These passes are registered to the vehicle and are non-transferable. Please be advised that we have implemented a new system for parking passes. This new system is entirely online, therefore eliminating the need for a plastic parking pass. If you currently have a parking pass, there is no need to update unless your licence plate has changed.

Ladies of Note Hold “Flash Mob” Performance At Lion’s Head Farmers’ Market

By Joanne Rodgers,
Bruce Peninsula Press

Nine members of the Ladies of Note held a “flash mob” performance at Lion’s Head Farmers’ Market on 16 July 2022.

Ladies of Note is an A cappella choir, consisting of 14 members under the direction of Vicki Corcoran with five sopranos, five second sopranos and four altos. They are all located on the Bruce

Peninsula... some from South, some from North.

Before COVID-19, they did their first “flash mob” performance at the market and enjoyed it so much that they made a decision to do it again this year when they got together in the spring to prepare for their summer session.

They performed at Pike Bay and Lion’s Head United Church a few weeks ago and on this Saturday at St. John’s United Church in Wiarton.

The Ladies say their music genre ranges from Sacred to Secular. They have

enjoyed singing musical tunes from Cats, movie tunes like My Heart Will Go On from the Titanic and Edelweiss from Sound of Music, Billy Joel’s The Longest Time, Both Sides Now, Come Follow Me.

The group says they are willing to try anything once!

Their repertoire of Christmas tunes range from the sublime Mary’s Boy Child to the modern-day Nutcracker Jingles and Santa Baby.

The group will take a break until September when they will gather again to prepare for their Christmas concert.

Photo: The Ladies of Note perform at the Lion’s Head Farmers’ Market (L-R) Vicki Corcoran, Lauren Barrow, Kim Wilson, Beth Peterson, Leesa Couper, Ruth Smith, Terry Hubacheck, Wendi Schwindt and Janice Greenwood.
Absent: Marilyn Bullen, Lenora Clark, Ruth Bauer, Denise Burnett, Christine Brown.

Celebrating Volunteerism on the Bruce Peninsula

Sharron Colter Presented Senior of the Year Award

By Kelly Burgess,
Bruce Peninsula Press

Honoured and humbled is how Sharron Colter describes being awarded the 2022 Senior of the Year Award for her volunteer work in the Northern Bruce Peninsula. Mayor Milt McIver presented her with the award on June 27, on behalf the NBP Council and the Ministry of Seniors and Accessibility. "Sharron is very active ensuring seniors' issues are advanced to all levels of Government," announced McIver when presenting the award.

Sharron explained, "The award signifies that the NBP Council members and administrative staff were aware of the volunteer hours that I have put forward for the health, wellbeing and safety of the community during the COVID-19 restrictions to keep seniors connected, active and safe." As a member of the Council on Aging Grey Bruce, and the Northern Bruce Peninsula Community Support Advisory Committee, Sharron helped create Senior Centre Without Walls (SCWW) which provided telephone-based activities and speakers during Covid. This is one of the many volunteer experiences Sharron has had throughout the years.

Prior to her extensive volunteer work, Sharron had a fulfilling career as an elementary school teacher. Ever since Sharron was in kindergarten, she knew that she wanted to be a teacher. "I wanted to make learning fun and enjoyable for students," she explained. Her teaching career began in North York then London, Winnipeg, and then back to Southwestern Ontario. She spent many years teaching and raising her blended family of two girls and two boys with her husband Don in Exeter, Ontario, just north of London.

Giving Back to the Community

Sharron found it challenging to retire from teaching in the classroom. After retiring, she began volunteering at the Exeter thrift store, "The Dove's Nest" for 13 years. "When I retired, I wanted to give back to the community through volunteer work," she stated. She also joined the Exeter Legion Branch 164 with her husband Don and the Exeter Legion Ladies Auxiliary where she was President for three years.

It was in 2010 when Sharron and her husband Don moved permanently to the Northern Bruce Peninsula. She continued her volunteer work at the Lion's Head Legion Branch 202. During her eight years as Secretary for the branch, she planned senior bus trips with grants from the Ontario Ministry of Seniors. It was after one of the bus trips where she had a fall that kept her off her feet for six weeks. This didn't stop Sharron from being productive. "It was during this time that I read the minute books from the Legion from 1931 to 2020 which became a published book entitled, "A Historical Review of the Lion's Head Legion Branch 202 Minute Books from 1931-2020," she explained.

Now a published author, Sharron still continued her volunteer work as Secretary and as President of the Retired Women Teachers Wiarton Branch and Area 1 Director. For a year she served as President and visited 46 RWTO/OREO branches throughout Ontario.

Sharron continues her volunteer work today with the SCWW and also continues to volunteer with the Retired Women Teachers of Ontario where she wrote applications for Community Grants for 2020-2022.

She was just informed by Alex Ruff, MP of Owen Sound-Grey-Bruce, that he will be presenting the Platinum Jubilee Coin in celebration of Queen Elizabeth II's

Sharron will continue her incredible volunteer work into the future. "I must say that the more I have given to the community the more I have received from the community. Volunteers are needed to keep our communities safe, strong and age friendly."

Tobermory Quilters Hold Quilt Exhibit at St. Edmunds Museum

Submitted by Jennifer Dewey for The Tobermory Quilters

Saturday, July 9 was a sunny summer day for the Tobermory Quilters to

display their quilts and other quilted items at St. Edmunds Museum in Tobermory. The split rail fences were adorned, as were several quilt racks, rustic ladders, and

large tables, and there was even a Trunk Show on site.

Visitors to the show exceeded 90 and the oohs and aahs were heard throughout the grounds.

The group, led by Glenna Reynolds,

meets every Wednesdays at the Light and Life Chapel from 9:30am-3:00pm to quilt together, collaborate, and share ideas, and are sometimes working on the same pattern in different colourways. Possibilities are endless! Contact Glenna at 519-596-8332 if interested.
